

Game cards . . .

- ⊙ Properly completed game cards should be provided by each team.
- ⊙ Players' full names should be listed in ascending order of their jersey number.
- ⊙ All players on the team's roster should be listed with absent or injured players so indicated.
- ⊙ Each Assistant Referee should maintain the game card for one team.
- ⊙ The Assistant Referee is responsible for recording goals scored, players' numbers in the event of any altercations and recording substitutions in Divisions U14, U12, U10 and U8 (U19 and U16 are free substitutions). For Divisions U10 and U8, a player can play the goalkeeper position for a maximum of 2 periods . Therefore, track the goalkeeper position by quarters.

While the referee is not there to enforce the minimum playing time rules, you should note on the card when a player does not play at least 3 periods or when a player plays the goalkeeper position for more than 2 periods for Divisions U8, U10 and U12 (whenever possible). For divisions U14 and U12, a player must play at least one half of the game at which they are present.

1. Every player on the team roster must be listed on the game card.
2. Any player not playing needs a comment: absent or injured.
3. Note that this is the Strikers game card so the score is shown with the Strikers score first and the Bulldogs score second. This would be reversed on the Bulldogs game card.
4. # 7 - Maria Santana scored a goal in the first half and # 15 - Pat Shinkicker scored in the second half.
5. # 9 - Pam Barksdale was injured in the second period. # 14 Sam Eaton, who was out, went in for the injured player.
- 6 #8 Was sent off in the fourth period. Her team must play with 10 players.
7. After the game, the back of the card (see below) must be completed. Print your name. Indicate any disciplinary actions taken and/or additional comments.
8. Both game cards and Game Misconduct Report need to be completed and placed in the boxes at each site.
